School Updates

"We embrace your arrival with open heart and minds. Welcome to our school community."

Our school is known for its rich history and reputation for academic excellence and we are proud of the many achievements and accolades we have received over the years. However, we all know that to grow and improve as a school, we must always be open to new ideas and perspectives. With great excitement we welcome our new principal, Ms. Susan Liju Ipe to our school community. She brings a wealth of experience and knowledge and has a proven track record of success in education. We are confident that under her leadership, our school will continue to thrive and excel and she will lead our school to even greater heights.

Ms. Susan Liju Ipe
Principal, Al Khozama
International School

To ensure harmonious and balanced relationships between all elements of the school and the institution's successful development we welcome Mr. K.G. Anoop Kumar as the Headmaster (Boys Section), He is a man of sound morale character, an able administrator & an efficient organizer.

Mr. K.G. Anoop Kumar
Headmaster, AKIS

Our girls under 17 from Grade 9 & 10 went for the Badminton cluster meet to Indian School Dammam & secured 4th position. They won this victory beating 12 schools out of 15 schools.

Teacher's Day Celebration

The true teachers are those who help us think for ourselves.
- S. Radhakrishnan

There is no doubt that being a teacher is a noble profession that deserves an equal amount of love and respect as any other profession. Teachers Day was celebrated as a reminder of the role that teachers play in nation-building by guiding and educating the brightest minds.

Teachers Empowerment session

Orientation training on classroom norms and classroom management was conducted for teachers by Mr. Peter (Academic Director), B.E.S.T group of schools)

Integrated Expo

In the field of observation, chance favors only the prepared mind.

The Integrated Expo-23 was conducted by grades 3-8, on September 9th, Saturday on the topic Impact of Industry, Innovation and Infrastructure on Transportation. The primary purpose of the exhibition was to showcase the knowledge and creativity of the students. The exhibition provided an opportunity for students to display their projects, experiments, and models. Students from every class were allowed to present their work through power point slides, charts, working and still models, bar graphs, role plays and poems. The classroom was decorated according to the class theme.

LITFEST 2023

Litfest event was a platform for our students to showcase their love for reading, language, and creativity. It was an annual celebration of literature & literacy.

Saudi National Day

Al Khozama International School celebrated 93rd Saudi National Day, which is popularly known as Al- Yaom- ul- Watany, under the Kingdom's proposed slogan - "We Dream and We Achieve," on Monday 25th September 2023. The festive spirit of National Day continued to linger through the day, showcasing wide variety of traditional Saudi culture through folk dances, art gallery, quiz time & relishing local delicacies. Children looked fresh decked up in green and white attire; with add on green accessories to complement their looks.

Grandparent's Day Celebration

To acknowledge honour and respect the timeless contribution of grandparents in the lives of children, a special day is dedicated to them, calling for a momentous celebration, involving ways to make them feel the best and on cloud nine! The kindergarten section of Al Khozama International School, celebrated Grandparents Day on 10th September, 2023. Those grandmothers, who were present in the Kingdom, gracefully accepted our invitation and turned up with their presence at school. They were delighted to see our little ones perform for them.

Science Expo

Science is simply the word we use to describe a method of organizing our curiosity.

Science expo was conducted by the students of 1grade 9th & 10th On 09th September 2023. The main objective of organizing the expo was to promote interest in Science and Technology among the students & to encourage scientific and technological creativity among them thereby inculcating a sense of pride in their talent.

The theme of the Expo was "Know your Ecosystem".

The expo included stalls showing water treatment plants, sustainability, aquatic cultivation and many more using charts, models, power points and working models. Students created and presented their research projects by maximum utilization of all the available resources.
