CLUSTERS

Master Reuben Jacob of grade VIII bagged silver medal (under 14) in 100-meter race and long jump event. He is now qualified for the national level competition.

Cluster-level Science Exhibition was organized as part of the CBSE cluster level competition, on 18th October 2023 and was held at International Indian School, Dammam. The main theme for the Cluster was "Eco technology for healthy environment". It provided a platform for students to pursue their natural curiosity, inventiveness and quench their thirst for creativity.

13 schools participated from Saudi Arabia. Ms. Shafaq Pewekar and Ms. Sruthi Mane represented Al Khozama International School and presented a model based on the removal of pollutants from the aquatic environment (Hyacinth experiment).

ZONAL

Our students strived to excel during zonal- a highly competitive event, at all levels and brought laurels to the school.

Ms. Saanvika Sentil Kumar bagged gold medal and Master Kalp bagged silver medal in under 14 in 200-meter race. Master Reuben won gold medal in 100-meter race and silver medal in Long Jump. Other achievements were silver medal in Badminton, and bronze in Table Tennis and Debate and 4 more bronze in other events.

Brain – Friendly Learning

The way attention is focused changes and helps balance the brain.

- Dr. Dan Siegel.

Session for parents of grade 10 students was conducted by Mr. CRD Saiju Aravind to provide them with tips leveraging the advancement in neuroscience, data science, and technology as a part of its PALM (Parent as Life Mentor) series. A session for students to enhance their learning skills as they prepare for the upcoming board exam by providing them with strategies for tackling difficult concepts was also conducted for students of grade 10.

NEWSPAPERS IN MODERN ERA

Malayalam Dept. of Al Khozama International school, Dammam organized a workshop on NEWSPAPERS IN MODERN ERA on 11th October. Chief Proof Reader of Madhyamam, leading Malayalam Newspaper and News Channel, - Mr. Suresh Kumar was the Guest Speaker. Malayalam Language students of all classes attended the workshop. It was a new experience for the students and it helped them to understand how to generate news. Our Principal Ms. Susan Liju Ipe presided the function and presented a memento to Mr. Suresh Kumar as a token of appreciation.

GAVEL CLUB

“Communication is the solvent of all problems and is the foundation for personal development.”

— Peter Shepherd

Gavel Club session 2 was conducted in the month of October that provided an excellent platform for our students to develop their personality, communication and leadership skills. Purpose of the Gavel Club was to give Toastmaster experience to the students who may have difficulty for regular membership with the Toastmaster Club.

Dress up Day

Dress up Day - Nigeria, was held on 01st October 2023. KG children came dressed according to Nigerian traditional wear or in colour of their national flower- yellow trumpet. Special activities were planned for the day like athletics, colouring the flag of Nigeria & sharing the common fruits found in Nigeria.

GLOBAL HAND WASHING DAY

On the occasion of Global Hand Washing Day 15th October 2023, Compass Arabia, a UK-based company specializing in catering and facility management in Saudi Arabia, organized an informative and engaging hand hygiene awareness session for our students. It started with a welcome address by our principal Ms. Susan Liju Ipe followed by demonstration and presentation.

The focus was mainly to educate and empower our students with essential hand hygiene knowledge, emphasizing on the importance of proper handwashing practices. On the whole, the session was highly impactful.

WORLD FOOD DAY

Proper use of food from everybody can end hunger.

To commemorate the date of the founding of the United Nations Food and Agriculture Organization World Food Day is celebrated every year worldwide on October 16. Our students actively took part in the event to generate awareness about the need for food security and nutritious diets for all

WEEK OF COLOURS

Week of colours was celebrated to help children to differentiate between things that they see. It helped them to sort and classify objects based on colours, thereby improving cognitive skills. During the week various activities related to each colour were done.

Bunnies Camp 3

Kindergarten children enthusiastically participated in all the camp activities that were especially designed to enhance their skills under the domains such as, Life Skills focusing on time management, Creative (decorate using play dough), Intellectual, Food & Nutrition (making a food pattern), Physical, Sensory and Grace & Courtesy.
